While the lower age limit for the user of the company's products is 2 years, there is no upper age limit. It is the owner of the brands Jetty, Golfi, Loco, Scuba, Azka. The company has a medical customer portfolio in almost all provinces in Turkey and exports to more than 20 countries abroad.

On the 30th anniversary of its establishment (January-2024), the company decided to expand its product portfolio by starting to produce hospital beds in its Dilovası/Kocaeli factory. The company, which is an importer, exporter and manufacturer, wants to increase its domestic market awareness with its brands in foreign countries.

MERKÜR

ULUSLARARASI FUARCIILIK

United for Int'l Exhibitions & Conferences (UIEC)

The company was established in 1992, on a foundation and combined experience in organizing exhibitions and conferences inside and outside Syria.

With this strong base, UIEC had been established as a service operation for the assistance of the vast number of local and international companies who are seeking a right access into the market through our specialized trade events, guide those companies desirous of exploring the Syrian Market to the most respective sectors of the economy and ensure a long-term business venture.

UIEC Activities:

- Organizing international exhibitions inside and outside Syria.
- Organizing local & International specialized conferences in all fields.
- Building up & installing exhibitions and national pavilions inside and outside Syria.
- Media , Advertisements services & Public Relation.
- Since 1993 UIEC is annually dedicated to organize the following specialized trade exhibitions:

In addition to our continued cooperation with the Syrian Ministry of Health, Ministry of Higher Education & Scientific Research, Syrian Medical / Pharmaceutical / Dental Associations, Syrian Commission for Medical Specialities, National Scientific Council for Pharmaceutical Industries, Syrian Universities, Arab & Foreign Embassies , Delegation of the European Commission to the Syrian Arab Republic, Int'l Organizations and all other medical societies in the organization field of conferences, seminars and exhibitions on various field.

Also, our company continuously cooperate with all the Syrian ministries, economic institutions, The Federation of Syrian Chambers of Commerce, Chambers of Industry, Export Development & Promotion Agency (EDPA) and the Syrian-European Business Center (SEBC).
